从俄乌战争爆发以来我们已经听到过莫斯科方面不止一次发出动用核武器的威胁.

目前世界上哪些国家拥有核武器 ?

库存数量分别有多少 ?

谁在积极扩充核武库

在多个地区战火弥漫的情况下我们所处的世界是否已经陷入一场新的且更加危险的核军备竞赛呢 ?

Ciao e bentornato sul canale YouTube di DW Deutsche Welle Chinese.

Dallo scoppio della guerra russo-ucraina abbiamo sentito più di una minaccia da parte di Mosca di utilizzare armi nucleari.

Quali paesi possiedono attualmente armi nucleari?

Quante sono le loro scorte?

Chi sta espandendo attivamente i propri arsenali nucleari?

Nel bel mezzo di guerre in molte regioni, il mondo si trova in una nuova e più pericolosa corsa agli armamenti nucleari?

## ChatGPT: A Paradigm Shift

A wide-angle photograph of a stunning coastal scene. In the foreground, a sandy beach is dotted with large, light-colored boulders and low-lying green shrubs. The ocean is a vibrant turquoise, with white-capped waves crashing onto the shore. In the background, a range of mountains with sparse vegetation rises against a sky filled with fluffy, white clouds. Several seagulls are captured in flight across the upper portion of the image.

You have it.  
Others don't.  
Make the most of it.
